#### **Founder/Owner (with husband Doug) Sajawi Corporation d/b/a ETM Manufacturing**

Betsy Scheffel is Founder/Owner of Sajawi Corporation d/b/a ETM Manufacturing with her husband Doug. ETM was purchased by Sajawi Corporation (owned by Betsy and Doug) in 2018. ETM Manufacturing is a sheet metal fabrication and machining business focused on creating prototypes and small run production for a variety of industries including: renewable energy, robotics, industrial lasers, and medical equipment. Previously, Betsy was a partner with Hewitt Associates providing human resources strategic, compensation, and organizational design consulting. Betsy has also held the role of interim Executive Director and interim Development Director at Ministry with Community in Kalamazoo, MI. a shelter offering 2 meals per day, 365 days a year, along with counseling, showers, laundry and activities. Betsy's work with this organization is when her interest in food security broadened to issues of poverty, substance abuse, and post-incarceration immersion into communities.

Betsy received a BA from Dartmouth College.

Betsy relocated to Massachusetts in 2018 when she and her husband purchased ETM. Betsy joined the Greater Boston Food Bank's Board of Advisors in October 2020.
