

## Director

### **Allen Hamdan, MD**

**Associate Professor of Surgery, Harvard Medical School**

**Vice Chair Department of Surgery, Beth Israel Deaconess Medical Center**

Dr. Allen Hamdan is a vascular surgeon in Boston, Massachusetts. He is affiliated with Beth Israel Deaconess Medical Center, where he completed his residency and served as a fellow. Allen is also an Associate Professor of Surgery specializing in vascular surgery at Beth Israel Deaconess Medical Center. He joined the Harvard Medical Faculty Physicians in 1999, practicing in both Chelsea and Boston.

Allen received his medical degree for New York University School of Medicine and has been in practice for over 20 years. He is a member of the Society for Vascular Surgery and the American College of Surgeons. Allen has had a productive academic career with over 100 publications and chapters and has served as a PI for numerous major clinical trials.

Allen created Food is Medicine in 2012, an event which supports the GBFB, and has served on the Greater Boston Food Bank's Board of Advisors since 2015 and on the Board of Directors since 2017.
