

2010 Annual Report

HUNGER HURTS. WE CAN HELP.

FEEDING A GROWING NEED.

Leadership Message

Dear Friends,

Our work during the 2010 fiscal year reached historic milestones towards ending hunger in our community. Working together, as dedicated partners, we can accomplish even more.

With your help, we were able to distribute a record 34.4 million pounds of food, or 26.46 million meals. We did this in partnership with nearly 550 member food pantries, soup kitchens and shelters, along with 30 of our own direct distribution programs such as BackPack, Kids Cafes and Brown Bag for seniors. We guaranteed the nutritional value of the food, and expanded our reach into underserved areas of eastern Massachusetts. In addition, we expanded our programs that serve vulnerable populations of seniors and children.

We did all of this despite a weak economy and stubbornly high unemployment, two factors that kept the need for emergency food assistance growing during the year. Our 2010 Hunger Study showed a 23 percent increase in the need for food over the past four years.

Despite difficult fiscal times, we raised a record \$8.6 million and increased the amount of nutritious food we purchased. We successfully advocated the state legislature to keep the food purchasing line for the Massachusetts Emergency Food Assistance Program level at \$11.5 million. During the year we hosted U.S. Senator Paul Kirk, U.S. Senator Scott Brown, Governor Deval Patrick, Mayor Thomas Menino, Attorney General Martha Coakley, and House Speaker Robert DeLeo. We appreciate all the elected officials who work with us to make a positive difference in the battle against hunger.

By the end of our 2010 fiscal year we were heading toward the completion of our Fighting Hunger, Feeding Hope capital campaign to build our 117,000 square-foot Yawkey Distribution Center. We installed one of the largest solar panel installations in the city of Boston on the roof, capping our goal of a truly green building.

We could not have accomplished so much without you. As supporters and volunteers you give generously of your time, your money, your food, your professional talents, and most of all, your compassion. We thank all of you, and hope that you stay with us in the year ahead as we commit to providing more nutritious food to feed everyone in need across eastern Massachusetts at least one meal a day.

Sincerely,
