

Winston Bodrick

Member, Board of Advisors
Member, Compensation Committee

Winston grew up in Atlanta as the son of a pastor and an educator. Receiving his Bachelor's degree from Morehouse College, he developed a keen interest in bettering his community through economic empowerment, politics, and law. Going on to receive his Master's degree from Dartmouth College and a Juris Doctor from Boston College Law School, he has worked in a number of notable roles such as a political fundraiser on a gubernatorial campaign and as the Director of Recruitment for The Partnership. In his own words, Winston has recognized the ties between politics and business, how to not be afraid to make big asks, and how to break the ice of confidence for how to speak to people in power.

Winston is currently a Principal at Ambry Development Group, a real estate development firm committed to creating sustainable, inclusive communities, and revitalizing underserved neighborhoods in the Boston area. In addition to his role with GBFB, Winston is the Chairman of the Board of Trustees for the Twelfth Baptist Church, a Member of the Board of Trustees of Ellis Early Learning, sits on the Board of Directors of the Second African Meeting House, and serves as the Vice President of the Greater Boston Morehouse College Alumni Association.
